Philosophy of Central Holmes Christian School

Central Holmes Christian School was established to meet the educational needs of students in the surrounding area. We believe it is the responsibility of Central Holmes Christian School to help students gain the knowledge to succeed in today's changing society. Emphasis shall be placed on self-discipline, self-reliance, personal responsibility, and accountability. In order to succeed, Central Holmes Christian School believes students must develop an understanding of the religious principles set forth by the founders of our nation, an understanding of democratic principles, an understanding of respect for authority, and an understanding of respect for the rights and opinions of others.

With changes in technology Central Holmes Christian School reviews curriculum to maintain standards necessary to achieve educational goals.

Realizing that students learn from a variety of experiences, Central Holmes Christian School encourages participation in extra-curricular activities and programs. The emphasis here is to build loyalty, character, and sportsmanship.

Central Holmes Christian School has the responsibility to encourage communication between students, faculty, administrators, parents, and the community so that an understanding of the school's philosophy is developed and an interdependency between school and community is established.

Objectives of Central Holmes Christian School

1. To provide a curriculum which meets college entrance requirements.
2. To provide a safe learning environment.
3. To instill respect for authority, rules, rights of others, and America.
4. To develop an awareness of the student's responsibility as a productive citizen and to provide opportunities to develop good citizenship.
5. To motivate students to achieve their highest educational goals.
6. To provide assistance in strengthening weaknesses in students.
7. To initiate a form of discipline that promotes cooperation.
8. To provide guidance through counseling and testing.

Mission Statement of Central Holmes Christian School

As a college preparatory school, Central Holmes Christian School's mission is to educate the whole student—academically, morally, physically, and spiritually—in a safe environment. CHCS will use Christian morals to promote student learning and to strengthen student morality so that each student is challenged to grow and mature in

knowledge, wisdom, and service. Our mission emphasizes the role of young people as productive American citizens and offers extra-curricular activities to provide positive experiences for developing a sense of purpose and well-being.

Office Hours

The school office will be open from 7:30 a.m. until 3:15 p.m. Monday – Friday.

School Hours

School begins promptly at 8:05 a.m. The first tardy bell rings at 8:00 a.m. School is not dismissed until 2:45 p.m. for elementary and 2:55 for junior high and high school. Any early dismissals should be arranged through the office.

Emergency School Dismissal

In case of emergency or hazardous conditions (usually weather related), Central Holmes Christian School may cancel school or release students in advance of the normal dismissal time. Should either situation occur, notification will be given as early as possible. Information concerning early dismissal or cancellation of school will be given to the local radio station, 102.5 FM, and Koscisuko radio station 101.1, whenever possible. Also, information about school closing will be posted on our website: chcstrojans.com.

Fire/Tornado Drills

Disaster preparedness drills for fire and tornadoes will be conducted during each semester of the school term.

FIRE:

Fire Alarm: Three (3) short rings of the bell with verbal instructions:

“CLEAR THE BUILDING”.

1. When the alarm sounds, the students are to leave the room in single file under the supervision of the teacher. The student is to take nothing with him/her except what he/she has in his/her hands when the alarm sounds.
2. The classroom teacher will be the last to leave the room. He/She will take his/her grade book to check the roll.
3. No pupil or teacher is to re-enter the building after the alarm signal is given until the bell rings for the classes to re-assemble, at which time classes will re-enter the building by the same exits and routes used to leave the building.
4. **ELEMENTARY:**
Grades K4, 1, 5, & 6 – go out WEST door and go to elementary parking lot.
Grades 3 & 4 – go out NORTH door and go to elementary parking lot.
Grades K5 & 2 – go out SOUTH door and go to elementary parking lot.
5. **HIGH SCHOOL:**
Rooms 1, 2, 3, & 4 – go out EAST door and go to the football field.
Rooms 5, 6, & Library – go out NORTH door and go to the front of the gym.
Rooms 7, 8, 9, & Study Hall – go out the WEST door and go to the football concession stand area.

TORNADO:

Tornado Alarm: One (1) long ring of the bell with verbal instructions, "TORNADO POSITIONS".

1. When the alarm sounds, the students are to leave the room in single file under the supervision of the teacher.
2. Students are to crouch down on their knees on the floor at the assigned area facing the wall with their heads down inside their knees and arms over their head.
3. No one is to be up and moving about. Avoid looking up and toward areas with glass.
4. When the all clear signal of multiple short rings sounds, return in an orderly manner to class.

First Aid

No medicine, including aspirin and Tylenol, will be dispensed from the office. If a student needs medication, the parent should send their child's medication along with a note, giving specific directions. If a student is extremely allergic to bee stings, the parent should send a note and include instructions and/or medication in case the child is stung. All medication must be kept in the office and not in the student's locker. A violation will be subject to discipline as follows: 1 day suspension or corporal punishment.

Telephone

Students should not ask to leave class to make calls. In case of an emergency or sickness, a student may ask the office personnel to contact his/her parents. Students must not use the phone in the teachers' lounge. Any student caught in the teachers' lounge will be subject to punishment as deemed by the Headmaster.

Cellular Phones, Pagers, Recorders, Cameras

Students are not permitted to bring cellular phones, pagers, recorders, video recorders, cameras, digital cameras, or other types of communication devices inside the buildings. Use of these devices is not permitted during the school day. Recorders may be used in special situations with permission from the office. Cell phones on campus will be confiscated, and a twenty-five dollar fine will be assessed for the first offense. Parents will be notified at which time parents are required to pick up the phone and pay the fine. A second offense will result in confiscation for the rest of the school year. Camera phones will automatically be confiscated for the rest of the year at the first offense.

Flowers/Gifts Delivery

CHCS does not permit delivery to students of special items such as flowers and gifts.

Vehicles on Campus

A student must have a valid driver's license to operate a vehicle on campus. A vehicle registration form must be filled out and turned into the office to be kept on file. A picture of the student's driver's license and verification of insurance must accompany this form. Upon receipt of the vehicle registration form, a vehicle parking decal will be issued to the student to be displayed in the vehicle at all times. Upon arrival at school, a student should park his/her vehicle in the proper area, leave the vehicle, and not return to the vehicle unless permission has been granted to do so. A student who has obtained permission to return to his/her vehicle must secure a pass from the office. **FAILURE TO ABIDE BY THIS POLICY SHALL RESULT IN THE STUDENT BEING ASSIGNED TO WEDNESDAY DETENTION OR OTHER PUNISHMENT AS DETERMINED BY THE ADMINISTRATION.** Any student who drives recklessly or fails to operate his/her vehicle in a safe manner may lose the privilege of driving on campus. The Administration reserves the right to search the student's vehicle at any time.

Parking on Campus

All students must park in the **STUDENT PARKING AREA ONLY**. **DO NOT**, at any time, double park or parallel park, blocking someone in. Do not park in any area (in front of the gym, next to the high school building, next to the weight room) other than the space in the student parking lot. CHCS will not be responsible for items stolen from vehicles or for any damage to vehicles while on campus.

Use of School Facilities

CHCS facilities are for the use of patrons, faculty, staff, and students. The Headmaster must approve the use of the buildings and facilities after normal school hours. At all times, the academic and extra-curricular activities of the school have priority use of the school buildings and grounds. At no time will students be allowed the use of the buildings and grounds without appropriate faculty approval. Use of the campus and facilities by outside groups or individuals must be approved by the Board of Directors or Headmaster.

Fundraising

Each class is limited to two (2) fundraisers per school year. **ALL FUNDRAISERS MUST BE APPROVED BY THE ADMINISTRATION PRIOR TO ITS BEGINNING!** Other fundraising for athletics and/or other activities is left to the discretion of the Administration and must be approved prior to the beginning of the fundraiser.

Building Policy

A faculty member will be on duty at 7:30 a.m. in the high school building and in the elementary school building. All other faculty members will be on duty beginning at 7:45 a.m. A faculty member will also be on duty from the time of school dismissal until 3:15. Students will be expected to leave the building during break and lunch.

Gym

Students are not permitted to carry food or drink into the gym court area except during home basketball games. Students should not go inside the gym during break and lunch. When playing on the gym court, students must wear proper soft-soled shoes that are approved by the basketball coaches. Use of the gym court during after-school hours is not permitted without special permission from the basketball coaches or the Headmaster.

Food and Drink Regulations

All food and drink must be consumed in the cafeteria. Students are not permitted to take food outside the cafeteria or to bring food, drink, or candy, inside the classroom buildings. **NO** chewing gum is allowed. Punishment will be administered as deemed by the Administration.

Cafeteria Behavior

Students are expected to remain quiet and orderly during break and lunch period, whether it is in line or at the tables. No loud talking should exist and good manners must be observed. The eating areas should be kept clean and neat. Lunch should be a pleasant experience for everyone, and unacceptable behavior will not be tolerated.

Cafeteria Charging

There will be no charging at the cafeteria. Meal tickets will be available for purchase. However, if student does not have money or a meal ticket, he/she may make an emergency charge for that day only. That amount needs to be paid the next day. If the student does not have payment for the charge, the parent will be contacted to come to the school and clear the account. Before the next emergency charge will be allowed, the first emergency charge must be paid.

Lockers

Lockers will be assigned to all students in grades 7 – 12. Students are responsible for the upkeep of the locker assigned, and they should report any unsatisfactory condition to the Headmaster. Lockers are the property of CHCS, and the Administration reserves the right to search lockers at any time.

Textbooks

Every effort is made to provide the students at CHCS with the most modern textbooks available. In view of the expense involved, we expect each student to be responsible for the materials issued to him/her and to return them in the same condition as

issued. Damage or destruction of textbooks will not be permitted. Fines will be assigned on a book-by-book basis. Students who destroy, lose, or damage textbooks will be assessed a fine based on the following scale:

- **Destroyed or lost:** Replacement cost (new textbook – 100%, used textbook - 10% depreciation allowance per year of use)
- **Damaged:**
 - Heavy damage (80% of book value)
 - Medium damage (40% of book value)
 - Light damage (20% of book value)

The average cost of a textbook is \$50.00.

Book covers will be used at all times. Failure to have books covered at all times will result in a \$5.00 fine for the first offense. A second offense will result in corporal punishment. Repeat offenders will be subject to harsher punishment as deemed by the Administration.

Tuition Payment

Tuition payments to CHCS may be made in full directly to the school or in payments through a financial management service, FACTS. Tuition may be paid by one of the following three options:

1. Tuition may be paid in full to Central Holmes Christian School at registration; this will mean that you will not be enrolled in the FACTS plan.
2. Through FACTS, tuition may be paid through a bank draft (ACH Debit).
3. Through FACTS, a monthly credit card payment for tuition can be made.

Any returned check for whatever expense will be subject a returned check fee as set by the Board.

If FACTS Management System notifies CHCS of insufficient payments, students may be subject to being sent home from school until payments are current. All first semester fees and charges must be paid in full prior to the first day of second semester. Report cards and/or transcripts will be held at the end of the school year until all fees and charges have been paid.

Withdrawal Procedures

Students who withdraw from Central Holmes Christian School must return all textbooks, supplies, and materials belonging to CHCS, and must pay all fees, tuition, and other charges owed to CHCS.

A transcript of the student's grades will not be forwarded until the student has cleared his/her account completely.

A withdrawal form must be obtained from the office and should be completed and returned to the school for Board release approval.

Visitors

For the protection and security of the students, strict regulations with regard to visitors on school campus must be enforced. No student from any local school is permitted to visit the CHCS campus without permission from the Headmaster. Permission for friends or relatives to visit during the school day should be secured in advance from the Headmaster. Any visitors *including* parents are required to check in with the front office.

Visitors must sign in, person visiting and state the purpose and person whom they are seeing. That person must come to the office to get them and return them to sign out.
PLEASE DO NOT GO TO THE CLASSROOMS WITHOUT PERMISSION.

Library

The purpose of the library is to make available materials for sources of information to supplement the curriculum, and for students to make pleasant and valuable use of their free time. The library should have a quiet atmosphere conducive to research. It is necessary to have certain policies regulating the use of these materials and for conduct in the library in order that it may offer maximum service to the greatest number of students and teachers.

Library Regulations:

1. Books will be checked in and out at the charge desk.
2. Books may be checked out for a period of two weeks.
3. A fine of five cents per day will be assessed for overdue books on the basis of a seven day week instead of a five day week (school week).
4. A student is responsible for the book he has checked out until the card is replaced in the book.
5. If a student loses a book, he will be charged replacement value using the current price.
6. At the end of each semester, report cards will be held in the office until any overdue fines are paid.
7. Report cards will be held in the office at mid-term and the end of the school until payment is made for lost books.
8. Magazines may not be taken out of the library.
9. General reference books may not be checked out overnight, but may be carried to classrooms if checked out from the librarian's desk.
10. For special assignments, teachers may place selected library materials "on reserve" for overnight check-out only.

School Property

Everyone associated with Central Holmes Christian School is expected to respect and protect school property. Students who willfully damage school property or otherwise cause Central Holmes Christian School to incur financial loss shall be held liable for all replacement costs of damaged property and/or reimbursement of all monies expended by Central Holmes Christian School due to the student's destructive behavior. Under certain conditions, expulsion from school is a possibility.

Trashing/Vandalizing of and/or Trespassing on any school property, faculty property, board member property, and/or staff property will automatically result in the following punishment for students of CHCS:

- 3 days suspension with a grade of zero resulting for any missed work
- Student(s) will be responsible for any test(s) or work due the day after suspension
- 3 licks with a paddle or a 4th day of suspension

If person/persons who are not students of CHCS trash/vandalize any school, faculty, board member, or staff property, he or she will be subject to prosecution because charges will be filed with the police against said person or persons involved. Depending on the severity of the offense, CHCS students may be subject to prosecution. Also, CHCS students shall make restitution for the value of the damaged or destroyed property.

Absence

Excused absences are given for illness of a student or serious illness in the immediate family, death, or funeral in the immediate family, or a court summons. The Headmaster may excuse other absences.

A doctor's statement or excuse for medical absences, a written note from the parents (stating that your son/daughter will be absent on what day and the reason for that absence), a parent's phone call by 8:30 a.m., or direct contact should verify each excuse. On the day following an absence, students must report to the Headmaster's office (prior to the first tardy bell) for an admission slip before returning to any class. Doctor's and/or medical excuses must be presented to the office the day the student returns to school. Doctor and/or medical excused will not be accepted after the fact or in a culmination at the end of the school year. All absences will be considered unexcused unless specifically excused by the Administration, or parental contact is made by telephone or in person prior to the student's return to class. The Administration of CHCS reserves the right to excuse or unexcuse all absences. The Administration will randomly check students who are reported absent; however, we can not be responsible for students who leave home and do not report to school.

School attendance at CHCS is mandatory. Any student found to be absent from school without permission, or failing to follow the policy on school absences and dismissals, will be suspended for one (1) day. Repeated violations will be dealt with on a more severe basis and parents will have to meet with school authorities to have this student readmitted to CHCS.

CHCS mandates a student will forfeit the right to receive credit for the year regardless of the grades earned or the reasons for absences, when total absences exceed twenty (20) for a one-year course or ten (10) for a one-half year course. Absences due to school-sponsored activities are not counted in this total. In the case of an extended illness, medical documentation is necessary. Medical documentation must be submitted the day the student returns to school. Submitting mass doctor's and/or medical excuses at the end of the school year, after the fact, will not be accepted. Students will be allowed to make up days at the end of the school year if they have missed more than 20 days due to extended illness. The student will pay \$10 each day during his/her make-up time. Any exception to these rules must be approved by the Administration.

Summer School Attendance

For summer school credit, students may not miss more than six (6) hours of class work. Any students missing over six (6) hours will not receive credit for summer school work.

High School Tardies

Students arriving to class after the 8:05 a.m. bell must first check in at the Headmaster's office before attending class to receive a class admission slip. Each semester a student may accumulate a total of three (3) tardies (this does not mean three (3) tardies per class, but rather three (3) tardies total) without action being taken. Parents will be informed of all tardies exceeding three (3). A 4th tardy will result in one (1) absence. A

student who accumulates five (5) tardies total will be required to attend 5 hours of Saturday school (from 7:00 a.m. until 12:00 p.m.), and parents will be notified. Parents must remit a \$50.00 payment to the school before the Saturday school that their child must attend. Failure to attend Saturday school will result in corporal punishment, and the student must attend the next Saturday school. Failure to attend the second Saturday school will result in the student being sent home for 3 days. A student who accumulates more than seven (7) tardies total will be sent home for 3 days, and parents will be notified. Every 3 afterwards will result in another suspension. Continued tardiness will be dealt with on a more severe basis. Tardiness to class becomes an absence if 50% of the class time has expired.

Elementary Tardies

Students arriving after the 8:05 a.m. bell must check in at the office before attending class to receive an admission slip. Each semester a student may accumulate a total of three (3) tardies (this does not mean three (3) tardies per class, but rather three (3) tardies total) without action being taken. Parents will be informed of all tardies exceeding three (3). A 4th tardy will result in one (1) absence. The parents of a student who accumulates five (5) tardies total will be required to remit a payment of \$50.00 to the school the day following the receipt of the letter informing parents of the fifth tardy. There will be a charge of \$10.00 per tardy after five. Continued tardiness will be dealt with on a more severe basis. A student is considered tardy if he or she arrives at school between the hours of 8:05-8:35 a.m. Students arriving after 8:35 a.m. will be considered absent.

Early Dismissal for Elementary & High School Students

No student may leave campus at any time without obtaining permission from the Headmaster. Requests for early dismissal should be confined to illness, doctor's appointments, or items of an emergency or critical nature. Personal errands are not considered emergencies or to be critical in nature. Whenever possible, we encourage each parent to arrange dental and doctor appointments after school.

A SIGNED NOTE SHOULD BE SUBMITTED TO THE OFFICE BY 8:00 A.M. ON THE DAY OF PLANNED EARLY DISMISSAL. If there is not a call and/or note sent to the school's office before 8:00 a.m., the parent must come to the office and personally sign out his/her child. Just a telephone call will not be acceptable. Unexpected dismissal due to illness or emergencies will be granted only upon telephone or personal contact. In extreme circumstances, permission may be granted by the principal or the headmaster.

Parents who come to school to pick up a student are asked to come by the office, and office personnel will get your student. The office staff will also deliver to your child anything that is brought to the school. After 8:00 a.m., emergency, unexpected dismissal will only be allowed if parents pick-up the student, and permission must be granted by the headmaster.

Students are to sign out in the office before being officially dismissed from school. Under no circumstances will a student leave the campus for any reason without first obtaining school approval and checking out in the office.

A pattern of numerous early dismissals will result in a school/parent conference, and the possibility of make-up time or other actions as prescribed by the Administration.

Student Work Permit

Work permits may be granted for leaving 7th period to *Seniors only* when approved by the Headmaster. A student must obtain a work permit form from the office. When a student is caught violating work hours, his/her work permit will be revoked.

Minimum Requirements for Participation in Extra-Curricular Activities, Elections, and Events

- 1. No student will be permitted to participate in interschool contests for more than four (4) years after entrance into the ninth grade. He/she shall not be permitted to participate in interschool contests if he/she has reached the age of 19 prior to August 1st.**
- 2. ATHLETIC ELIGIBILITY:**
To be eligible for the first semester of a school year, a student must have accumulated four (4) major units (credits) the previous academic year.
To be eligible for the second semester, a student athlete who is ineligible the first semester could become eligible the second semester if he/she passed four (4) subjects during the first semester of that same academic year.
- 3. An assessment of eligibility to participate in extra-curricular activities, elections, and events will be made on August 1 of each year. This review of yearly averages will focus on the preceding school session.**
- 4. Certain extra-curricular activities, elections, and events may require higher standards for participation. In such cases, the higher standards will prevail and be in addition to the minimum requirements.**
- 5. A student who is absent from school all day on the day of an interscholastic contest will be ineligible to participate. If a student is absent part of the day, he/she will be eligible to participate if his/her doctor gives approval to the Headmaster. If a student is absent four (4) periods or less, an excused absence must be given to be eligible to participate. A student missing over four (4) periods, but yet attends school, will be eligible if the doctor gives approval to the Headmaster. The Administration retains the right to review special cases and to grant exceptions in cases of extenuating circumstances.**

Conduct at Sporting Events/CHCS Events

As ambassadors of Central Holmes Christian School at school events, we as board members, faculty, staff, and parents all represent and reflect what our school is to our students and to the community at large. Our actions at all school sponsored events are

ultimately reflections of CHCS and Holmes County. As a result, we must do our individual and collective part to insure that our school's image is that of a high moral character and instruction.

In striving to place CHCS in the best possible light and in order to provide incentive for all CHCS fans to be the best example for the school that they can be, the Board of Directors has unanimously passed the following guidelines to discourage inappropriate behavior at all school events for everyone, including any and all parents or other adults.

1. During any CHCS event, if a parent, family member, or spectator of any CHCS student behaves in such a way that is deemed detrimental to the image of CHCS by an administrative representative of CHCS, that person may be required to leave the event immediately upon request to do so by any CHCS administrative representative.
 - a. Should the person requested to leave the event not immediately comply or refuse to comply, that individual will be removed.
 - b. If a parent, family member, or family is asked to leave a CHCS event by either the CHCS or another school's administration, the person asked to leave will be subjected to an AUTOMATIC \$200.00 assessment and will be banned from all CHCS events for the next two weeks of the school calendar year.
2. If during any CHCS event a CHCS spectator's behavior rises to such a level that an official of the event warns the CHCS administration that the spectator's behavior is considered by the official as unsportsmanlike, the person pointed out by the official must immediately cease the unsportsmanlike behavior or be subject to leave per Section 1 above.
 - a. If it is necessary to require a person to leave a CHCS sporting event prior to that person being ejected by the official, the person required to leave will be subjected to an AUTOMATIC \$500.00 assessment and will be banned from all remaining events for a period of one (1) month.
3. If a spectator's behavior is such that an official at any CHCS sporting event ejects the parent, family member, or other spectator from the event pursuant to MPSA rules and guidelines, the CHCS spectator will be fined \$500.00 and will be banned from all CHCS events for a period of three (3) months.
 - a. Any assessment under this section is in addition to and no in lieu of any assessment made by the MPSA. Any amount assessed to the school shall, in turn, be assessed to the responsible spectator. This is in addition to the \$500.00 given above.
4. If CHCS is required pursuant to MPSA rules to eject a spectator at an official's request, that spectator has the right to approach the Headmaster and request CHCS to file an appeal based upon the ground(s) believed to be applicable by the spectator ejected. The spectator will be responsible for any fees associated with the appeals process. Any appeal request will follow the guidelines set forth in section V-B-2 of the MPSA Academy Activities Commission Handbook.

The other cheerleaders will be chosen based on points up until the natural breaking point. There will be a minimum of twelve (12) cheerleaders, not to exceed fifteen (15). Grade Reports

Progress reports of student achievement, effort, and attitude will be sent home near the middle of each nine-week period. Dates when progress reports will be sent home are on the Calendar of Events page. When progress reports are issued, they must be signed by the parent/guardian and returned to the homeroom teacher within *two* days.

Report cards will be sent home at the end of each nine-week period. Dates when report cards are sent home are on the Calendar of Events page. When report cards are issued, they must be signed by the parent/guardian and returned to the homeroom teacher within *two* school days.

Report cards are intended to indicate to parents what the final accomplishment may be at the end of the year in each subject. The grades on the grade report are based on test scores, recitation, and quality of completed assignments. If a student's grades are low or very low, the student is in danger of failing.

Parent/Headmaster/Teacher Conferences

Parents are cordially invited to visit the school and confer with the Headmaster at any time concerning the work of their child. Conferences with teachers may be arranged through the Headmaster or guidance counselor. Teachers will be available during their conference period. Please do not call the teacher at his/her residence. Unruly behavior, lack of respect for faculty and fellow students, obscene language, and other negative styles of conduct will not be permitted.

Off Campus Student Conduct

Rules of conduct that apply to Central Holmes Christian School and Central Holmes Christian School students are applicable to all MAIS sanctioned events and/or all off campus events.

Upon returning to school, the student may retain all academic and athletic honors; however, she/he will not be eligible for any elected honors or positions or participate in any other extra-curricular activities, such as cheerleading, athletic activities, pageants, etc...

When applicable, the above criteria shall also apply to the father if he is a student of CHCS. If a male student admits to fathering a child or if there is scientific proof that he fathered a child of an individual who is not a student of CHCS, the same disciplinary guidelines as listed above will apply.

If the student chooses to continue his/her education at home through CHCS, this will be the same as a teacher monitoring an after-school correspondence course and therefore will require additional tuition payments. Payments will be \$500.00 extra per semester.

Such behaviors include, but are not limited to, the following: foul, profane, threatening, defiant or abusive language or action toward teachers or other school employees; defiance, ridicule, or verbal attack of a teacher; and willful, deliberate, and other acts of disobedience of the directions of a teacher; and

However, no student shall be considered to be habitually disruptive before the development of a behavior modification plan for the student in accordance with the code of student conduct and discipline plans of the school.

2. Any student who is thirteen (13) years of age or older for whom a behavior modification plan is developed by the school principal, headmaster, reporting teacher, and student’s parent(s) and which student does not comply with the plan shall be deemed habitually disruptive and subject to automatic expulsion on the occurrence of the third act of disruptive behavior during a school year. After the second act of disruptive behavior during a school year by a student who is younger than thirteen (13) years of age, a psychological evaluation shall be performed upon the child at the cost of the parent or guardian of the student. A psychological evaluation shall not be required for students ages fourteen (14) and over. However, parents may choose to have a student fourteen (14) over evaluated. The results of such evaluations will be used by the Administration to help create and/or modify a Behavior Management Plan.

(a). The parent(s) or guardian of the student, as well as the student, for whom a behavior modification is required shall agree to the terms of the plan and be expected to comply with the terms thereof.

CHCS does not admit any students who have been expelled from any school, including CHCS.

A student having in his/her possession and/or displaying, using, or threatening to use any weapon, or any instrument that could be classified as a weapon, shall be subject to termination from Central Holmes Christian School without a refund of fees and may be subject to legal action.

Drugs, Alcohol, and Tobacco Products

Central Holmes Christian School intends to be a “drug-free,” “alcohol-free,” and “tobacco-free” campus. The possession or use of any of these products on the CHCS campus is strictly prohibited. A student who violates this policy will receive a external suspension with the amount of days being subject to the Headmaster’s discretion and be subject to other disciplinary measures.

Any student who is found having in his/her possession, using, or selling any illegal drug or substance on campus or at a school activity, or who is caught and convicted off campus of possessing, using, or selling such substance, shall be subject to termination from Central Holmes Christian School without a refund of fees and may be subject to legal action.

Drug and Alcohol Testing Policy

All students in grades 7 – 12 will be required to participate in the drug/alcohol testing program.

Purpose of the Program

The first and primary purpose of the drug/alcohol screening program are as follows:

- To educate the student concerning the dangers of drug/alcohol abuse
- To help prevent any drug use or abuse by the students of Central Holmes Christian School

- To identify any student who may be using drugs and to identify that drug
- To see that any chronic dependency is treated and addressed properly
- To provide reasonable safeguards in order that every student who attends CHCS is medically competent to do so
- To remove the stigma of drug abuse from those students who are not users
- To reassure parents, students, and the community that the health and academic progress of its students is the primary goal of CHCS
- To re-emphasize to the student his/her responsibility as a positive role model

Testing Procedure

1. The parents of each student, by signing their educational contract with CHCS, are consenting to their child's participation in the drug/alcohol testing program.
2. All students will sign a form and give their social security number during registration.
3. All school board members, teachers, staff, and administrators will be tested initially and then subject to random testing.
4. Each student will be tested during the school year and will also be subject to random testing at any time.
5. Reasonable suspicion will require a student to be included in the drug/alcohol testing on any test date.
6. Refusal to participate will be interpreted as a positive result and will require the student to follow the required steps as outlined in the drug/alcohol policy.
7. The method of testing is hair, urine, or saliva. Any positive drug or alcohol result will be confirmed by an additional test at a laboratory selected by CHCS.
8. The selection and coding of specimen samples will be executed in a manner insuring total confidentiality and identification.
9. The hair, urine, or saliva sample will be collected and analyzed by a private laboratory using the most up-to-date methods of pathology.
10. Specimen samples will be identified by numbers only, to insure total confidentiality.
11. Drug and alcohol screening results will be reported to the Headmaster only.

First Incident of a Positive Test Result

All specimens showing a positive result will automatically be re-tested by the testing laboratory immediately to assure that no error has occurred. The second test will be a more specific test. If the positive result is verified and confirmed, then the following steps will be taken.

1. The parents and the student will be contacted in a confidential manner by the testing medical review officer (MRO).
2. The Headmaster will be advised of the results of all confirmed positive and negative tests.
3. The student will be evaluated and assessed by a professional at the expense of the parents. This professional may include one of the following: certified alcohol and drug abuse counselor, student assistance professional, licensed social worker, medical review officer, or other designated appropriate agency approved by CHCS.

4. The student will then be required to attend a drug-counseling program as recommended by the health care professional at the expense of the parents.
5. The drug counselor will determine the length and manner of the program best suited for the student. The student must also participate in any after-care recommendations or follow-up.
6. If a parent refuses a complete counseling program for his/her child, the student will be dismissed from school.
7. The costs involved for confirmation tests of school drug/alcohol results, that prove to be a confirmed positive, will be charged to the parent.
8. A positive alcohol test result on the day of testing will require the student to leave campus immediately and not return to campus until the next school day. The student will follow all steps as required in the drug/alcohol policy.
9. After the first positive test, the student is subject to take every random test during the remainder of his/her time enrolled at CHCS.
10. Participation as a student in the school's curricular and extracurricular programs is not affected with the first incident of a positive test.

Second Incident of a Positive Test Result

The specimen showing a positive result will automatically be re-tested by the testing laboratory immediately to assure that no error has occurred. The second test will be a more specific test. If the positive result is verified and confirmed, then the following steps will be taken.

1. The parents and the student will be contacted in a confidential manner by the testing medical review officer (MRO).
2. The Headmaster will be advised of the results.
3. Upon testing positive a second time during his/her enrollment at CHCS, the student will be permanently dismissed from CHCS.

Possession of Drugs

Any student who is found having in his/her possession any illegal drug or substance or any medication without prescription on campus or at a school activity, or who is caught and convicted off campus of possessing, using, or selling such substance, shall be subject to termination without a refund of fees and may be subject to legal action.

Central Holmes Christian School Grievance Procedure

1. Contact the Headmaster and discuss the situation. At such time, the parent may set up an appointment to meet with the teacher.
2. If the parent is still not satisfied, the parent may contact the Headmaster to be put on the agenda for the next Board meeting. At this time, the parent may present their discontent to the entire Board of Directors.

Acceptable Use Policy

Central Holmes Christian School **Off-Campus Conduct Policy**

The general policy with respect to off-campus conduct is to presume that the behavior of children is in the hands of their parents. To presume otherwise is to invite parental abdication of authority and accountability. If, however, CHCS's students, individually or in a group, engage in off-campus activity or behavior that brings notoriety to themselves and/or discredit or disruption to Central Holmes Christian School, the school may exercise jurisdiction, applying individual penalties up to and including expulsion. This policy is intended to apply to all off-campus conduct, not only during school sponsored or sanctioned events occurring off the school premises. While consequences of minor infractions are fairly standard, much greater flexibility is given in determining appropriate discipline for major or severe infractions. The educational value of any disciplinary action is balanced with the best interest of the student and that of the school.

This Policy is intended to supplement and not replace current CHCS policies regarding conduct at MAIS sanctioned events and other off-campus school events.

This policy in no way limits or precludes any student or employee from pursuing any relief afforded by state and federal law. If proof cannot be found, there will be no retaliation against the accuser. All complaints will be kept highly confidential.

Board Meetings

Any parent wishing to attend a Board Meeting must be put on the agenda 7 days before the Board Meeting.

Principles of Good Practice for Member Schools

Heads: The Head of a private/independent school, as educational and moral leader, is responsible for enabling the school community to achieve the school's mission. Although MPSA acknowledges differences in styles of leadership and school operation, it nevertheless offers the following principles of good practice to provide a common perspective on this responsibility:

1. The Head, with the Board of Trustees, shapes and upholds the school's mission, goals, and standards and articulates them to the school's constituencies and to the wider community.
2. The Head is responsible for attracting well-qualified faculty and staff members and for retaining them through equitable compensation plans, sound staff development and evaluation programs, and concern for their status within the school and in the larger community.
3. The Head works with the staff to determine the needs of students and to put in place programs and policies that meet those needs.
4. The Head, ultimately responsible for all administrative decisions and actions, regularly involves members of the administration and faculty in decision-making and evaluation.
5. The Head is accessible, within reason, and responsible to all constituencies—faculty, parents, students, and graduates—and in particular ensures that parents are kept informed about the school's policies, programs, and the progress of their children.
6. The Head identifies ways to serve graduates and to retain their loyalty as advocates of the school and as contributors to its financial strength and well-being.
7. The Head oversees the well-being of the entire school, rather than of any individual constituency, and works to help all constituencies to see the school as part of a network of local, state, regional, and national organizations concerned with educational issues and excellence.
8. The Head, as steward of the school's resources, is responsible for prudent budgeting and financial management, maintenance of the physical plant, review and long-range planning, and fund-raising.
9. The Head is alert to changing patterns in the local community, especially those that may affect enrollment or diversity within the school, and ensures that admission and hiring policies adhere to the school's written policies on nondiscrimination and due process.
10. The Head asks the Trustees for an annual evaluation. As part of Board development, the Head ensures that Trustees evaluate the school periodically on its operation in relation to stated goals and mission and that they review their own functioning as a Board.
11. The Head finds ways to become part of a network of peers who can provide personal support and professional assistance.
12. The Head cooperates with Heads of other private/independent schools to ensure that good relations among schools are protected, especially in the four

sensitive areas of admission, marketing, faculty recruitment, and fund-raising.

Independent School Trustees: The following principles of good practice are set forth to provide a common perspective on the responsibilities of individual members of private/independent schools:

1. A Trustee actively supports and promotes the school's mission.
2. A Trustee is knowledgeable about the school's mission and goals as well as current operations and issues.
3. A Trustee attends meetings well prepared and participates fully in all matters.
4. The Board sets policy; the Administration implements policy. An individual Trustee does not become involved in specific management, personnel, or curricular issues.
5. A Trustee accepts and supports Board decisions and respects Board confidentiality.
6. A Trustee guards against conflict of interest, whether business-related or personal. The Trustee takes care to separate the interests of the school from the specific needs of a particular child or constituency.
7. A Trustee has the responsibility to support the school and its Head and to demonstrate that support within the community.
8. Authority is vested in the Board as a whole. A Trustee who learns of an issue, has the obligation to bring it to the Head of the School or to the Board Chair, and must not deal with the situation individually.
9. A Trustee contributes to the development program of the school, including financial support and active involvement in annual and capital giving.
10. Each Trustee, as well as the treasurer and the finance committee, has fiduciary responsibility to the school for sound financial management.

Board of Trustees: The Board is guardian of the school's mission. It is the Board's responsibility to ensure that the mission is appropriate, relevant, and vital to the community it serves. The Board monitors the success of the school in fulfilling its mission. The following principles of good practice are set forth to provide a common perspective on the responsibilities of private/independent school boards. The Board and the Head work in partnership in fulfilling the following principles:

1. The Board prepares a clear statement of the school's mission and objectives.
2. The Board reviews and maintains bylaws and established policies and plans consistent with the mission.
3. The Board is accountable for the financial well-being of the school, including capital assets, operating budgets, fund-raising, and endowments.
4. The Board selects, supports, and nurtures the Head.
5. The Board, or a committee of the Board, conducts a written annual evaluation of the performance of the Head and works with the Head to establish goals for the following year.
6. The Board evaluates itself annually and establishes goals for the following year.
7. The Board keeps full and accurate records of meetings, committees, and policies.
8. The Board works to ensure all its members are actively involved in the work of the Board and its committees.

- 9. The composition of the Board reflects balance of expertise and perspectives needed to achieve the mission of the school.**
- 10. The Board develops itself through new Trustee orientation, ongoing education, and leadership in succession planning.**
- 11. The Board assures compliance with applicable laws and regulations and minimizes exposure to legal action.**
